

Gloss Garage LLC

FULL EXTERIOR

STARTING AT \$180

Starting with pre-wash gel to remove stuck on bugs and tar

Full hand wash and dry

Iron spray to remove all iron contamination - especially beneficial on brand new vehicles

Use of clay bar to remove all contaminants from car exterior

Protective sealant added to the car for a nice, glossy look and water repellent benefits

Exterior window cleaning

Ceramic coat added to all windows for advanced water repellence

For best results, please let me know if your car has been detailed in the past. I will use a cleaner to strip all previous wax coatings, ensuring your car gets a fresh start!
